

Our Mission is:

"To provide our industrial customers the most cost effective, highest quality repair service in an innovative and responsive manner."

Founder
Paul Minadeo

Specializing in Factory Direct Indramat Repair

including motors, drives, power supplies, controllers and all other Indramat products. Our service is unmatched by anyone in the industry.

We save our customers time, money and aggravation on all repairs.

Our Unique Direct Service Arrangement with Several OEM's, Provides our Customers with the Best Repair Service Available in the USA.

Our unique arrangement with several OEM's allows MIS to provide the best service available 24 hours a day, 7 days a week.

We are a company that has the means and the dedication to provide unparalleled servo equipment repair service.

We specialize in factory direct repair of **Indramat** equipment. This means every single repair that we provide gets the individual attention that it deserves.

It is because of our 20 plus years of direct Indramat experience we are able to make the Indramat repair process a smooth, simple, and consistent procedure! We are one of the largest providers of Indramat repair in North America. You can be assured that your repair will be processed in an efficient and responsive manner.

We provide 24 hour emergency repair service, 7-days a week, 52 weeks a year.

We also offer 3-5 business day rush repairs.

We also provide new spares, used, and refurbished servo equipment.
